of Canada
Chœur national des
jeunes du Canada

What is the NYCC?

The **National Youth Choir of Canada** (NYCC) is a project of Choral Canada, and is one of Canada's finest youth choirs.

It is a one-of-a-kind professional development opportunity for some of Canada's best emerging choral singers. Truly national in scope, the prestigious choir is made up of singers between the ages of 19 and 26 who are auditioned from across the country every two years.
